

North Eastern Counties Cross Country Championship, Redcar Racecourse, 9th December 2017

The whole event is based on the inside of the actual race course – **please DO NOT attempt to enter/cross the actual horse race track.**

The running route essentially an out and back loop either side of the service track that runs parallel to the horse race track.

The basic lap is approx 4km, shorter laps are created by insertion of “U” turns where and when required as indicated.

Controlled access to the START is via the crossing point –

Please do not warm up on the course. Other races will be in progress! Use the cinder track or other grass areas
